

Company Profile

Eat Light,
Eat Healthy

Bringing quality staples and pasta made from 100% suji—crafted with certified processes, and trusted by leading Indian retailers.

Who We Are

Bregano is a modern Indian food brand by Dwarika Groups, offering smart, healthy, and flavour-packed food options. With a focus on quality and taste, Bregano brings you easy-to-cook products made for today's lifestyle – light to eat, rich in nutrition, and true to tradition.

Our Story

What began in 1992 as a small Atta Chakki in Rudrapur, Uttarakhand, has today grown into one of India's trusted food manufacturing houses – *Dwarika Group*. Founded by **Mr. Balram Aggarwal**, the group earned its reputation through a commitment to quality and a clear vision to deliver better food choices to every Indian household.

With the success of **Dwarika Roller Flour Mill Pvt. Ltd.**, the group expanded its footprint and, in 2019, launched **Bregano** – a brand born from the idea of combining nutrition with taste. Today, Bregano offers a wide range of Pasta, Whole Wheat, and everyday food products that reflect the brand's promise: *Eat Light, Feel Healthy.*

State of the art Italian Technology

At the heart of our pasta production lies the advanced Italian ***Pavan Thermo-Active Machinery***, known globally for its precision and consistency. This state-of-the-art system enables us to produce 100% semolina-based pasta with superior texture, shape retention, and shelf life—without the need for additives. Its fully automated process ensures **hygienic, high-volume output**, supporting both domestic and international demand with unwavering quality.

Bulk Exporting & Branding Solutions

At Bregano, we don't just make great food products – we help you build powerful brands. With over 30 years of industry expertise and a trusted presence across

India, high-quality for retailers, distributors, supermarkets, HoReCa, and international buyers.

Whether you're launching a new product line or expanding an existing one, our end-to-end B2B services help you bring it to market efficiently – under your brand name, with our quality.

What We Offer:

➤ Customised Product Development

Choose from our extensive portfolio of pasta, soya, vermicelli, flour, pulses, and more – or request a custom blend to suit your market.

➤ End-to-End Private Labelling

From design assistance to formulation, packaging, printing, and delivery – we provide a complete private labelling solution.

➤ Reliable Supply Chain

With a production capacity of 50MT/day, automated processes, and a 7-acre facility, we ensure timely deliveries at scale.

➤ Flexible Packaging Options

Available in pouches, jars, boxes, and bulk formats with a wide range of grammage and branding possibilities.

➤ Certifications & Compliance

Our FSSAI, GMP, and GHP certified manufacturing unit ensures food safety, consistency, and hygiene across every batch.

➤ Global & Domestic Reach

We already supply to major retail chains and contract manufacture for leading brands across 10+ states and international markets.

Trusted by Leaders

India's top retailers and food brands rely on Bregano to deliver quality, consistency, and performance — batch after batch.

With decades of manufacturing experience and certified, high-capacity infrastructure, Bregano stands behind some of the most recognisable names in retail and FMCG. From customised formulations to scalable supply solutions, our silent strength helps brands grow with confidence — across India and in select global markets.

Our collaborative, process-driven approach ensures that every partner receives focused attention, from formulation and sampling to packaging, production, and seamless fulfilment. Whether you're a fast-growing regional brand or an established national retail chain, we align our systems to your ambition — offering consistent quality, reliable execution, and long-term partnership without compromise.
